

Membership Form 2009

TOGETHER WE CAN MAKE A DIFFERENCE!

- The NAPW was established to promote networking among our members. We encourage you to join one of our committees to help direct the future of the NAPW. This is your association. We welcome new ideas to help improve our organization and further our fundraising for our Charitable Foundation
- The NAPW-Charitable Foundation continues to support the education of students in the Pulp & Paper Science programs at North Carolina State, Sate University of New York, Syracuse and the University of Quebec at Three Rivers. Your donations are tax deductible thanks to our 501c3 status. Thank you for the support of these great schools and towards the emerging talented students of our industry.
- *Please consider making a member's donation to the scholarship fund for the NAPW-Charitable Foundation with your renewal dues.*
